

Snay Lata Madill (Kesh)

Born October 24, 1954 in Nausori Fiji.

Snay slipped peacefully out of this world on Saturday February 18, 2012. She died with dignity at home with her loving son Christopher and her husband Alan at her side after a very long and brave battle. Our thanks to all of her very good friends that have helped her all of these years and were with her to the end. There will be a private family only funeral followed in a few weeks by a public Celebration of Life. In lieu of flowers please donate to the British Columbia Transplant Society or to Sarcoidosis Research.
